

CITY OF LODI COUNCIL COMMUNICATION

AGENDA TITLE: Adopt Resolution Approving Proposition 1B Funding for 2011 Cape Seal Project (\$889,600)

MEETING DATE: April 6, 2011

PREPARED BY: Public Works Director

RECOMMENDED ACTION: Adopt resolution approving Proposition 1B funding for 2011 cape seal project (\$889,600).

BACKGROUND INFORMATION: The City has received Proposition 1B funds from the State since April 2008, totaling approximately \$2,000,000, which includes accumulated interest. It is a requirement of the Proposition 1B funding program that formal action be taken to designate a specific project to be funded, in part or in total, using these funds. It is required that the funds be expended by the end of 2011.

Per Council Resolution No. 2009-154, the funds were allocated to the 2010 street maintenance project to install asphalt concrete overlay on various street sections throughout the City. Approximately \$1,110,400 was spent on this project in 2010. Staff recommends the balance of the funds be spent on the 2011 cape seal project. This project would resurface more lane miles on streets which have minor surface deficiencies with cape seal, a rubberized chip with a slurry seal surface. The cape seal would smooth the road surface and extend pavement life by sealing the pavement surface.

The proposed 2011 cape seal project would resurface approximately 1 million square feet of street surface throughout the City.

Staff will later request Council action to approve bidding the cape seal project and awarding the contract when the plans, specifications and estimates are completed.

FISCAL IMPACT: There is no fiscal impact for designating the 2011 cape seal project for Proposition 1B funding.

FUNDING AVAILABLE: Not applicable.
